Location details on back

Public Computers Public computers are conveniently located around campus for student use. All are equipped with Windows 10 (there are some Macs in Bird Library), and connect to laser printers. See the front of this sheet for locations. You can manage your printing account at <http://printing.syr.edu>.

Visit <http://its.syr.edu/labs> and <http://library.syr.edu/services/technology/> for current info.

MakerSpace, co-located with the Kimmel lab, is a collaborative hub for designing, hacking, and creating with computers, 3D-printers, laser cutters, and a wide range of other tools. It's a place to build, teach and learn, open to students, faculty, and staff. For more information visit <http://makerspace.syr.edu>.

Location	Hours of Operation	Computers
Bird Library, desktops, multiple locations	Building hours	122
Bird Library, laptops, 1 st flr. Circulation Desk	1 st flr. Circulation Desk hours	40
